Section 1 — Introduction

This directory provides a list of Freedom Value (HMO), Freedom Plus (HMO), Freedom Premier (HMO), Senior Blue 652 (HMO), Senior Blue 699 (HMO), Forever Blue 770 (PPO), Forever Blue 799 Value (PPO), and Forever Blue 799 (PPO)'s network providers and pharmacies for specific counties. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC). To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Freedom Value (HMO), Freedom Plus (HMO), Freedom Premier (HMO), Senior Blue 652 (HMO), Senior Blue 699 (HMO), Forever Blue 770 (PPO), Forever Blue 799 Value (PPO), and Forever Blue 799 (PPO)'s formulary.

The network providers listed in this directory have agreed to provide you with your health care, hearing, and vision services. You may go to any of our network providers listed in this directory. Our plan does not require any provider to obtain referrals in order for you to receive care.

Freedom Value (HMO), Freedom Plus (HMO), Freedom Premier (HMO), Senior Blue 652 (HMO), and Senior Blue 699 (HMO)

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. Participating Freedom Value (HMO), Freedom Plus (HMO), Freedom Premier (HMO), Senior Blue 652 (HMO), and Senior Blue 699 (HMO) providers are listed in the directory for specific counties. You can select a **Primary Care Provider (PCP)** during the enrollment application process or by contacting Customer Service.

Your PCP is a health care professional who meets state requirements and is trained to give you basic medical care. Your PCP is usually a doctor, but may be a physician assistant or a nurse practitioner. In most cases you will receive your routine or basic care from your PCP. Your PCP can also coordinate the rest of the covered services you receive as a Plan member.

Your PCP is often involved in your care for a long time, so it is important to select someone whom you will work well with. Your PCP will provide much of your care, and will help arrange or coordinate the rest of the covered services you receive as a Plan member.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Freedom Value (HMO), Freedom Plus (HMO), Freedom Premier (HMO), Senior Blue 652 (HMO), and Senior Blue 699 (HMO) will be responsible for the costs.

To get detailed information about out-of-area coverage and emergency coverage, including the processes and procedures to obtain emergency services, please see your Evidence of Coverage.

If you receive a bill from an out-of-network provider, please submit the bill to our plan first. Do not pay the bill until you have received a determination from our plan on what your liability is, if any. Customer Service can assist you with your request. Your Evidence of Coverage (EOC) also provides details on how to request reimbursement. There are limited circumstances when our plan allows you to obtain out-of-network care. If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get it.

Forever Blue 770 (PPO), Forever Blue 799 Value (PPO), and Forever Blue 799 (PPO)

Forever Blue Medicare PPO provides "in-network" and "out-of-network" coverage and does not require members to have a **Primary Care Provider (PCP)**. Plan providers in this directory are called in-network providers. A health care service you receive from a non-plan provider is known as an out-of-network service.

Out-of-network providers are under no obligation to treat Forever Blue 770 (PPO), Forever Blue 799 Value (PPO), and Forever Blue 799 (PPO) enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at 1-800-329-2792, October 1st - March 31st 8 a.m. to 8 p.m., 7 days a week. April 1st - September 30th 8 a.m. to 8 p.m., Monday - Friday. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost-sharing that applies to out-of-network services.

If you receive a bill from an out-of-network provider, please submit the bill to our plan first. Do not pay the bill until you have received a determination from our plan on what your liability is, if any. Customer Service can assist you with your request. Your Evidence of Coverage (EOC) also provides details on how to request reimbursement. If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get it.

You may use non-plan providers to receive your covered services, although your out-of-pocket costs may be higher than if you use our plan providers. With the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers.

For emergency care and urgently needed care, your out-of-pocket expenses will be the same both in-network and out-of-network. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by the plan. For further cost-sharing information, including what your out-of-pocket costs are for out-of-network providers in this situation, please see your Evidence of Coverage.

There are special rules for out-of-network services. Certain services that we offer are not covered out-of-network. Also, you do not need to receive a referral or prior authorization when you receive out-of-network care from non-plan providers. However, before receiving an out-of-network service, you may want to check to see if the services you are receiving are covered by your plan and are medically necessary. For more information, please see your Evidence of Coverage.

Forever Blue 770 (PPO) and Forever Blue 799 (PPO) members also have an option that will allow them to see out-of-network providers and only be charged an in-network copayment. The providers must participate in the BlueCard® Medicare Advantage Network Sharing program.

When you receive a bill from a non-contracted Medicare participating provider, you are only responsible for paying your share of the cost, not for the entire cost. You should submit the bill to the plan first to determine what your share of the cost will be.

To get detailed information about out-of-area coverage and emergency coverage, including the processes and procedures to obtain emergency services, please see your Evidence of Coverage.

Pharmacies

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Freedom Value (HMO), Freedom Plus (HMO), Freedom Premier (HMO), Senior Blue 652 (HMO), Senior Blue 699 (HMO), Forever Blue 770 (PPO), Forever Blue 799 Value (PPO), and Forever Blue 799 (PPO) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

The pharmacies in this directory are located outside our primary service area in a bordering county. You may also fill your prescriptions at these pharmacies.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of June 17, 2020. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

If you're enrolled in a plan that offers both Preferred and Standard cost-shares for prescription drugs you can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with 'P' to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called Express Scripts. For more information, please contact us or see the mail order section of this directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

HOSPITALS

Your cost-sharing for outpatient surgery performed in a hospital facility may be more than your cost-sharing for outpatient surgery performed in an ambulatory surgical center. Please refer to your Evidence of Coverage (EOC) for more information about your cost-sharing for outpatient surgery.

Please note: If there aren't any hospital providers listed in the directory, please contact the plan immediately. Our plan will assist you in locating another provider to support your medical care.

RETAIL PHARMACIES, INCLUDING CHAIN PHARMACIES

You may use any network pharmacy listed in this directory to obtain covered prescription drugs.

If you're enrolled in a plan that offers both Preferred and Standard cost-shares (deductibles, coinsurance, or copays) for prescription drugs, your costs for some drugs may be less at a Preferred pharmacy. Preferred pharmacies offer preferred cost-shares and are denoted by the 'P' symbol.

Please check your Evidence of Coverage (EOC) for more information on your cost-share at network pharmacies.

Cost-sharing for members who get "Extra Help" is the same at Preferred and Standard pharmacies.
