2. Contact lens coverage varies by product selection.
3. Provider promotions and/or discounts may not be combined with insurance benefits or discounts.
4. Some limitations apply to additional discounts; discounts not applicable at all in-network providers. Davis Vision has done its best to accurately reflect plan coverage herein. If differences exist between this document and the plan contract, the contract will prevail.

No benefits shall be provided for:

- Examinations, frames, or lenses that are not necessary according to accepted standards of ophthalmic practice or that are not prescribed by the attending physician or by the optometrist
- Replacement of lost, stolen, broken, or damaged lenses, contact lenses, or frames, unless at the time of replacement the subscriber is otherwise entitled to benefits for the lenses for frames
- Industrial safety glasses, safety goggles, or sunglasses, whether or not they require a prescription
- Examinations, frames, or lenses required by the subscriber's employment
- Duplication of services: the benefits covered under this amendment are reduced by any benefits received under your contract or group plan
