

# 2016 Quality Provider Plan: Preventive Medicine/Early Detection

BlueShield  
of Northeastern New York

The 2016 Quality Provider Plan includes the top measures from HEDIS® and the CMS Star Rating system. The plan includes criteria, exclusions, and helpful tips for providers to incorporate into their practices and workflows. This plan impacts the Medicare Advantage HMO and PPO lines of business. See below for the **preventive medicine/early detection measures** you should focus on in 2016.
